Broader Perspectives

6 issues per year

Broader Perspectives believes in challenging readers to approach current affairs from multiple angles, and to understand our world from a contextual point of view. While recommended for GCE 'A' Level students taking the General Paper, BP is meant for all young adults interested in a compelling and informative read. Through comprehensive infographics and incisive articles, we aim to make world news and global trends interesting and accessible to our readers.

Present Perfect

6 issues per year

Present Perfect is recommended for upper secondary students preparing for the GCE 'O' Level English Paper. Each issue is based on a theme relevant to youths and is filled with exciting stories. Our magazine seeks to teach students the writing and reading skills needed for their examination and beyond. We hope to encourage readers to be bold and take risks, to never stop questioning, and to celebrate their individuality.

Represent

4 issues per year

Represent makes complex ideas and technical grammar rules accessible and relevant for lower secondary school students. This magazine focuses on core skills like writing, comprehension, grammar and vocabulary, while engaging readers through topics ranging from identity to media. Represent is an innovative teaching-learning tool that seeks to help students improve their language skills in a fun and creative way. We hope to inculcate a lasting love for reading and writing in our readers.
